

Dear Friend of Carver Center,

Thank you for demonstrating an interest in helping the George Washington Carver Center for Arts & Technology. The Carver Center Foundation was established to supplement the annual budget provided to the school by the Baltimore County Public School System. The Foundation operates largely upon the generosity of area sponsors and parents. Sponsorship of the Foundation helps the Foundation provide annual scholarships to graduating seniors, purchase program equipment and supplies, fund program and educational activities, fund continuing education of the faculty, and so much more.

Over the past 25 years the students of the George Washington Carver Center for Arts & Technology have received numerous awards, honors and other recognition of their talents. In 2010 the George Washington Carver Center was one of five schools nationwide awarded the John F. Kennedy Center for the Performing Arts National Schools of Distinction in Arts Education. In 2016 Carver Center was recognized by the United States Department of Education's National Blue Ribbon School program. Our graduates attend prestigious colleges and universities, perform in professional dance companies, act on Broadway and in television shows and films, are represented by some of the best galleries in the U.S and teach their craft in various schools including Carver Center.

On Saturday, April 14, 2018, the Carver Center Foundation will host the 15th Annual Carver Celebration. We welcome the entire community to gather and celebrate Carver Center's extremely talented students in areas of technology, visual, literary, and culinary arts, dance, vocal & instrumental musicians, cosmetology, carpentry, theater and production. Your sponsorship contribution entitles you or members of your organization to attend this annual evening of entertainment. The event includes a silent auction, performances and demonstrations by the talented students of the George Washington Carver Center along with food prepared by the school's culinary students working alongside local culinary experts. Proceeds from this event also help the Foundation perform its mission.

Please use the attached form to support a sponsorship at a level that is suitable to you. This year, our top sponsorship levels include scholarships to be awarded to outstanding graduating Seniors in the name of the sponsor! The scholarship recipients will be selected by the Carver Center faculty, and awards will be presented by the Foundation in the name of the sponsor at the Senior Awards Evening event in May. Scholarship sponsors will be invited to attend the awards presentation.

We thank you for your consideration, and hope that you will support our endeavors to further assist the students at Carver Center. Tickets to the Carver Center Celebration may also be purchased on our website www.carvercenterfoundation.com. We hope to see you at our community celebration in the Spring!

Thank you, in advance, for your generosity and support.

Best regards,

Maximillian F. Van Orden
