2019-2020

Dear Kind Sir or Madam,

Built on a foundation of exploratory learning, creativity and innovation, Carver Center Foundation endeavors to breathe new life into the legacy left by our namesake: Dr. George Washington Carver. By supporting the students and community of **George Washington Carver Center for Arts and Technology**, we strive to magnify his contribution by cultivating scientists, artists, thought-leaders, and activists in our region through enriching experiences aimed to support and empower youth and their families. Carver Center

Foundation operates largely upon the generosity of area sponsors and partners. Your support of the foundation helps to provide annual scholarships to graduating seniors, parent support workshops, masterclasses, specialized program equipment and supplies, enriching program and educational activities, professional development of the faculty, and so much more.

For over 26 years the students of George Washington Carver Center for Arts and Technology have received **numerous International, National and Regional awards**, honors and other recognition of their talents and the school was one of five schools nationwide awarded the John F. Kennedy Center for the Performing Arts National Schools of Distinction in Arts Education. From the United States Department of Education's **National Blue Ribbon School**, Carver Center graduates go on to perform in professional dance companies, act on Broadway and in television shows and films, are represented by some of the best galleries in the country and teach their craft in various schools including Carver Center. **We are thrilled to share that the Class of 2019 received over \$23.7 million dollars in outside awards and scholarships and 90% are now attending 2 and 4 year colleges and universities.**

Your contribution will allow us to continue this profound legacy and helps us expand the reach of impact by providing these and other valuable and timely resources. **We invite you to join us at the sponsorship level that you feel will help carry on this tradition, now and long into the future.**

Thank you for your support!

Sincerely,

A handwritten signature in black ink, appearing to read "C. Carberry", written in a cursive style.

Claire Carberry,
President
