GEORGE WASHINGTON CARVER CENTER FOR ARTS & TECHNOLOGY
938 York Rd, Towson, MD 21204

LIVE PERFORMANCES | AUCTION | PROGRAM EXPLORATION | RAFFLE

Please join us for this showcase of student talent highlighting and celebrating Carver Center programming! Appropriate safety measures will be in place for a safe and fun event for everyone.

Carver Center is a countywide magnet school offering college preparatory academic curricula and rigorous courses of study for students in grades 9-12. Students qualify for admission to Carver Center by competitive auditions in one of the following areas: Acting, Carpentry, Cosmetology, Culinary Arts, Dance, Design & Production, Digital Instrumental Music, Information Technology/Interactive Media Production, Literary Arts, Visual Arts, and Vocal Music.

Carver Center Foundation

"I know of nothing more inspiring than that of making discoveries for ones self."

George Washington Carver

Friends of Carver.

For many years, and for countless young people, George Washington Carver Center for Arts and Technology has been a place of promise and challenge. Carver Center has established a tradition of excellence and a culture of collaboration and respect, based on its mission: to cultivate life-long learners whose passion for their craft empowers them to be creative, successful, inspiring contributors to society and the world.

Never has it been more necessary for us to support the growth, development, and discovery of our next generation of leaders. At Carver Center, we promote the importance of encouraging creativity, building community, and investing in our youth. Schools like ours take a flexible and innovative approach to learning with curricula centered around unifying themes. We are proud of a diverse student body that encourages collaboration and our strong and passionate family and community involvement.

Acts of kindness and the generosity of people, organizations, and companies like you/yours are an essential reminder that we are not alone in our mission to enhance the programming at Carver Center and to support the community it serves.

Please consider joining Carver Center Foundation as we present our annual Carver Celebration, on April 2, 2022, to showcase the students of Carver Center and to celebrate the many ways they've demonstrated resilience and a commitment to discovery during these most recent uncertain times.

We would be honored to add your name to the list of supporters for the event. Enclosed, please find a listing of our event Partnership Opportunities. Please also remember that partnerships are customizable upon request. Whether you choose to become a corporate or individual sponsor or can collaborate through the gift of in-kind donations (or BOTH!), your support will make a difference.

Carver Celebration is so much more than just a fun and engaging event. Proceeds benefit Carver Center Foundation's work in ensuring our students thrive and have every opportunity to pursue their dreams, no matter what comes their way.

Thank you for your anticipated consideration.
